### LETTING OF CONVICT LABOR.

Largest Price Ever Contracted for Since System Was Inaugurated.

Pursuant to the advertisement of the Board of Prison Commissioners, that Board opened the bids for the labor of 650 convicts on Wednesday last.

It was found that the Frankfort Shoe Co. had offered 85 cents per man per diem, which was more than double the amount which the Ford-Johnson Co. was paying for the same labor.

That company made a sealed bid running from 65 cents per man down to 25 cents per man for short term and crippled men.

Another company had in a bid, but as the certified check for \$50,000 (as required by the Board) did not accompany their bid, it could not be considered.

The award was made to the Frankfort Shoe Co., which will enable this company to greatly enlarge their output.

The officers of the successful company are Chas. E. Hoge, President; Jas. F. and Z. J. Montgomery, Managers; H. H. Roberts, Secretary and Treasurer. All these gentlemen live in this community.

The Ford-Johnson Co. is the name of a big consolidation of chair companies, controlling the output of a number of State prisons. Mr. A. D. Martin, of this city, is their representative and manager here. Their contract does not expire until January 1, 1907. What they will do with their end of the work here at that time is problematical. They have a large number of employes residing here outside of the prison labor. There has been some talk of the establishment of an outside factory by the company.

### I. O. R. M. GRAND COUNCIL.

The Grand Council of the Independent Order of Red Men for the State of Kentucky will meet in the Hall of the House of Representatives on Tuesday next, May 8th, and will continue in session four days.

Blackfoot Tribe, No. 67, will see to it that this grand body of Sachems are properly entertained. This is the second time consecutively that this body has met in this city.

A banquet will be served on Tuesday night after the opening exercises.

### LOT IN THORN HILL SOLD.

Mr. L. B. Marshall sold a lot in Thorn Hill, on Wednesday, to Mr. John Fallis. Price private. Mr. Fallis will build as soon as possible.

## Get SCOTT'S Emulsion

When you go to a drug store and ask for Scott's Emulsion you know what you want; the man knows you ought to have it. Don't be surprised, though, if you are offered something else. Wines, cordials, extracts, etc., of cod liver oil are plentiful but don't imagine you are getting cod liver oil when you take them. Every year for thirty years we've been increasing the sales of Scott's Emulsion. Why? Because it has always been better than any substitute for it.

## Thirty

Days Was My Life's Limit.

Agony From Inherited Heart Disease.

Dr. Miles' Heart Cure Cured Me.

One person in every four has a weak heart. Unless promptly treated a weak heart will easily become a diseased heart. A little extra strain from any cause is sufficient to bring on this deadly malady, the most common cause of sudden death. Dr. Miles' Heart Cure will tone up the heart's action, enrich the blood and improve the circulation.

"My trouble began with catarrh and I have always supposed it caused the trouble I have experienced with my heart. I had the usual symptoms of sleeplessness, lost appetite, constipation, palpitation of the heart, shortness of breath and pain around the heart and under left arm. My mother suffered in the same way and I suppose mine was an inherited tendency. At one time I was in agony. I suffered so severely and became so weak that my doctors said I could not live thirty days. At this time I had not slept over two hours a night on account of nervousness. The least exercise, such as walking about, would bring on palpitation and fluttering of the heart so severe that I would have to give up everything and rest. Nerve and Liver Pills cured me of constipation and heart symptoms disappeared under the influence of Dr. Miles' Heart Cure. I am in better health than I have been in twelve years and I thank Dr. Miles' Remedies for it. I think they are the grandest remedies on earth and I am constantly recommending them to my friends."—Mrs. L. J. CANTRELL, Waxahachie, Tex.

WEAK KIDNEYS MAKE WEAK BODIES.

Kidney Diseases Cause Half the Common Aches and Ills of Frankfort People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. Frankfort cures are the proof.

Wingate Thompson, police officer, of 29 Murray street, says: "Ordinary backache is sufficient to torment the average mortal, but when there is added to it trouble with the kidney secretions which embarrass you during the day and breaks your sleep at night, it is no wonder the sufferer is miserable and welcomes the means he employs to get relief. It is hard enough for any one to endure such suffering and misery, but for one as heavy as myself it comes doubly hard. It was not until I learned about Doan's Kidney Pills that I found a remedy that would do just what was claimed for it. I procured a box of the pills at J. W. Gayle's drug store, and their use corrected the kidney secretions, relieved the dreadful aching in my back and helped me in every way. There is no need to have any doubt about Doan's Kidney Pills. They do exactly as represented."
